

Crombie Nursery Vision, Values and Aims

Our Vision

To create a safe, nurturing environment where children have fun, are happy, included and are able to reach their full potential.

Community

Diverse

Inclusive

Our Values

Outdoors

Encouraging

Fun

To value parental involvement and provide opportunities that enable parents to feel fully involved in their child's learning.

To provide high quality experiences where children can be challenged, explore, and investigate.

Maintain the highest standard of care through ongoing development opportunities for all members of staff.

Develop links to the community and work in partnership to promote the welfare of our children.
